What customers think about the store

DTF Dallas provides high-quality DTF transfers with reasonable prices, fast turnaround times, and excellent customer service. Users praise the vibrant colors, ease of application, and convenience of local pickup. While a few issues were reported, the store addresses concerns promptly and offers solutions.

AI-generated from customer reviews.

What is DTF?

As the name suggests, a direct-to-film printer allows you to print a design on a film and transfer it directly to the intended surface, such as fabric. The key reason why the printer DTF is gaining prominence is the freedom it gives you to choose almost any surface for printing.
